

WCS-H

WCS-H

Technical Specification

| | |
|-----------------------|--------------------------------|
| Output Power | High power: 15mW |
| | Low power: 8mW |
| Stray Rejection | -60dB |
| Power Supply | 2 AA batteries |
| Working Duration Time | 13 Hours |
| Working Distance | Ideal Condition:~80 meters |
| | Complex Environment:~45 meters |
